

Tail Concerto Hints

1. **General:**

- Search high and low for kittens and powerups.
- Talk to everyone you see.
- If you lose track of your assignment, return to Porto and talk to the locals, they will give you hints about what you should be doing. Once in Porto, your Airship may hold your next assignment.
- To defeat enemies, pick up their bombs when possible and throw them back at them.

2. **Resaca:**

Capture all of the kittens in the three warehouses, this will open up the door to the plaza. Capture all of the kittens in the plaza, then take the coal you found to the engineer in the elevator tower. Go up the elevator and proceed through the doors, defeat the Boss and find the Red Crystal to complete the level.
Special Hint: Shoot the delivery truck downtown and get 2 Star Boxes and a Whistle.

Ferzen:

Ride minecarts to all areas and capture kittens, the final kitten will be carrying the Green Crystal. Go into mine entrance 1/2 way up cliff (the one with the airship moored outside) and ransom Princess Terria. Defeat the Boss to complete the level.

Special Hint: Return to Ferzen later and read the diary, it will tell you about a hidden photograph in the maintenance hatch of the steam powered drill.

3. **Airleaf:**

Talk to Dr. Jones in the house and he'll give you the jetpack, then fly from island to island to reach the Target. Talk to the stranded pilot (Your Grandfather) to complete the level.

Special Hint: Don't forget the food can and the Whistle on the roof of Dr. Jones' house.

Archeonis:

After Fool has flown off in the other half of the Moving Fortress, go to Dr. Jones' in Airleaf, he will help you find the Moving Fortress, and give you an upgraded jetpack.
Special Hint: Don't miss the Whistle on the air duct in the room with the power-ups.

Moving Fortress 2:

Defeat both Bosses to complete the level. When you return to Porto, you will need to go find the Pris sisters, Stare will be in the cave at Grimto and Flare will be hiding in the clock tower in Resaca Plaza

7. Iron Giant:

Go over to the green island and step onto the yellow center. Once transported, wait for the outermost blue island to come by and jump onto it, then jump off at the first purple island and step on its yellow center. After you've been transported, turn around and jump on the red island. The island will move next to another red island, jump down onto it. Repeat this three times. The last red island will take you over a yellow island, jump down onto it and step onto its yellow center. Once transported, jump onto the green island in front of you, and wait for the next islands to swing down into place, then jump your way up each island until you reach the top island, and step onto its yellow center. Once transported, defeat the Boss. When it's revived, grab the Blue Crystal to complete the level.
