

Snowboard Kids Script

Speed Boost at the beginning of a race

Hold forward and tap A at the beginning of a race, and when you are just about to be dropped off by the lift for a slight increase in speed.

Secret Course

At the main menu, the one that says Start Lesson / Option, carefully enter the following sequence:

Press Down, Up on the analog, Down Up on the D-Pad, then Down C, Up C, L Button, R Button, Z Button, then Left on the D-Pad, Right C, Up on the analog joystick, B, Right on the D-Pad, Left C and then press Start.

A confirmation sound will sound when entered correctly. (Nancy's Laugh)

Unlock Everything

To unlock the secret character Shinobin, the line of Shinobin boards, and all the standard and secret courses, enter the following code on the Title screen:

Up then Down on the Control Stick, Up then Down on the Control Pad, bottom-C, top-C, L, R, Z, Left on the Control Pad, right-C, Up on the Control Stick, B, Right on the Control Pad, left-C, and Start.
