OFFICIAL WEBSITE FOR *TOUCH DETECTIVE 2 1/2* HAS LAUNCHED!
The Touch Detective returns!

IRVINE, CALIFORNIA — AUGUST 24th, 2007 — Atlus U.S.A., Inc., a leading publisher of interactive entertainment, today unveiled the official website for *Touch Detective 2 1/2*, the upcoming adventure game for the Nintendo DS™!

With screenshots, videos, character bios, and an interactive interface that will make you feel like you're in the game, the official *Touch Detective 2 1/2* website offers a sneak peek at all the zany humor, crazy characters, and exciting adventures gamers can expect from the game when it is released this October!

Check out the official site at: <http://www.atlus.com/touchdetective2/>

Touch Detective 2 1/2 has been rated "E" for Everyone by the ESRB for Comic Mischief.

About *Touch Detective 2 1/2*:

Accepted into the Great Detective Society, Mackenzie has become a fully-accredited sleuth! Trouble is, people still do not take her seriously. All that changes when a string of strange thefts pulls her into a puzzling plot, and she'll have to use all of her skills and intuition to discover the motive behind the crimes and solve the mystery!

Key Features:

- A hilariously off-beat story spanning 5 Episodes! Longer, wittier, and more entertaining than the first *Touch Detective*, the new plot develops over the course of 5 interrelated chapters, each playing off the one before.
- Over twice the locations to visit and all-new characters to compliment the returning cast from the original! Cromwell, Penelope, and even your trusty sidekick Funghi all make a return in *Touch Detective 2 1/2*, and if you want to get to the bottom of the mystery, you will need their help!
- More unlockables! Solve side quests and complete an all-new Touch List and Investigation Report to gain access to new music and art!
