### **About *Growlanser: Heritage of War***

On an island continent shrouded in darkness and bounded on every shore by an impassable veil, war rages among desperate inhabitants fighting for survival. A mysterious famine has ravaged the land, leaving its denizens to struggle over what little fertile soil remains. There is no safe haven; ground that war has left untouched is still threatened by the Screamers, fierce and powerful monsters steadily encroaching on the cities of men. Hope is fading - who will rise to save this dying land?

### **Key Features**

- *Over 70 Hours of Gameplay!* A sweeping story arc spanning 5 lengthy chapters, with additional chapters to unlock.
- *A Fantasy World Comes to Life!* Story unfolds through gorgeous hand-drawn animation and character portraits by artist Satoshi Urushihara.
- *Strategic Party-based Combat!* The action is faster and more exciting than ever as you use an advanced troop command system to give orders to your allies – smart tactics are the key to victory.
- *Manage your Character's Ability Tree!* Change your character's abilities based on the needs of the situation. As your character levels, so too do your Ability Plates!
