**TOUCH DETECTIVE 2½ SLEUTHS INTO STORES TODAY!**  
*Join Mackenzie and Funghi on an all-new adventure!*

IRVINE, CALIFORNIA — OCTOBER 9<sup>th</sup>, 2007 — Atlus U.S.A., Inc., a leading publisher of interactive entertainment, today announced that, *Touch Detective 2½*, the upcoming adventure game for the Nintendo DS™, is now shipping to stores across North America! Don your detective's hat and take your magnifying glass in hand, intrepid investigators: Mackenzie and Funghi need your help!

Through five all-new chapters, meet new characters (and say hello to your old favorites), encounter new mysteries, explore a bigger game world, and confront the series' first super-villain: The Cornstalker! Get ready for brain-tickling puzzles, zany characters, hilarious dialogue, and plenty of twists and turns along the way!

Check out the official site at: <http://www.atlus.com/touchdetective2/>

*Touch Detective 2½* has been rated "E" for Everyone with Comic Mischief by the ESRB.

**About Touch Detective 2 ½:**

Accepted into the Great Detective Society, Mackenzie has become a fully-accredited sleuth! Trouble is, people still do not take her seriously. All that changes when a string of strange thefts pulls her into a puzzling plot, and she'll have to use all of her skills and intuition to discover the motive behind the crimes and solve the mystery!

**Key Features:**

- A hilariously off-beat story spanning 5 Episodes! Longer, wittier, and more entertaining than the first *Touch Detective*, the new plot develops over the course of 5 interrelated chapters, each playing off the one before.
- Over twice the locations to visit and all-new characters to compliment the returning cast from the original! Cromwell, Penelope, and even your trusty sidekick Funghi all make a return in *Touch Detective 2½*, and if you want to get to the bottom of the mystery, you will need their help!
- More unlockables! Solve side quests and complete an all-new Touch List and Investigation Report to gain access to new music and art!
