About Operation Darkness:

Enter an alternate WWII-era world where history and fantasy collide! Leading an army of ruthless officers and unearthly creatures, Adolf Hitler marches through Europe, leaving behind a trail of death and destruction. With his powers on the rise and his armies on the move, it falls on you and your team of elite soldiers to cut deep into the heart of the Third Reich and strike a fatal blow to Hitler's ever-growing legion of evil!

Key Features:

- *Lead the Offensive!* Brave dozens of missions, confront supernatural creatures, and discover mystical powers as you progress through a sweeping campaign of drama and mystery!
- *A Strategy-RPG with an Emphasis on Tactics!* With a vast arsenal of historical weapons and a large team of specialized characters at their disposal, players will have to consider every variable as they plan their method of attack – using the environment to your advantage is imperative!
- High-definition visuals, fully-voiced dialogue, and in-game cutscenes deliver a true next-generation experience!

Operation Darkness has not yet been rated by the ESRB.
